RE: The Cannons Engineering Corporation Case Sites ("CEC Sites")

Dear Sir or Madam:

EPA has received your response to EPA's request for information concerning UNION OIL CO. OF CA. (AMSCO DIV.)'s involvement with the Site(s) referred to above. A preliminary review of your submission indicates that you failed to include with your response a notarized affidavit as described in the Information Request Addendum.

Specifically, paragraph 15 on page 4 of the Addendum states:

"15. Return your response to the address above along with a notarized affidavit from a responsible company official or representative stating that a diligent record search has been completed and that there has been a diligent interviewing process with present and former employees who may have knowledge of the operations, chemical use, and waste disposal practices of the respondent between 1974 and the present. Also include in the affidavit a statement that any and all information responsive to this Information Request is being forwarded to EPA and that all such information is complete and accurate."

Only parties who are in complete compliance with the information request are eligible for receipt of the documents which EPA used in determining the potential liability of parties in connection with these sites. Your submission of all requested information accompanied by an affidavit will provide the necessary indication for EPA to conclude that you are in complete compliance with EPA's information request.

Please submit the required affidavit within ten (10) days of receipt of this letter to complete your response to the information request. As was stated in the Information Request, failure to
